

Widgets

12/26/2024 12:56 pm EST

The Assignments widget provides the teachers with information related to how many assignments with Manual Marking activities he/she has pending to score.

Widgets allow for a quick visualization of pending manual markings within the platform. They help maintain effective control and response times.

1. Click on the widget to review, and the list of pending assignments to grade will be displayed by level (preschool, primary, or secondary).

My Classes Level: All

TEST CLASS Primary
3° Tercero Primaria
2 students • 24/09/08 to 24/12/29
DMXD88S3
CLASS CODE

2. Select the class you want to review, and the complete assignments section will open.

TYPE	TITLE	STATUS	SCORE	ASSIGNED	DUE	STUDENTS
	Validación de score	active	67%	2024-12-02	2024-12-03	1 / 1
	Prueba 2.12.24 Prueba	active	-	2024-12-02	2024-12-13	0 / 2
	Assignment 6 test de score de actividades manual_marking	active	35%	2024-12-02	2024-12-03	2 / 2
	Assignment 5 test de score de actividades manual_marking	active	64%	2024-12-02	2024-12-03	2 / 2
	Assignment 4 test de score actividades manual_marking	active	80%	2024-12-02	2024-12-03	2 / 2
	Assignment 3					

The pending marks are highlighted with a yellow triangle for better localization within the list.

Use the pagination bar it allows you to navigate through different pages by clicking on the page numbers or the

Next and Previous buttons.
