This category includes the materials and resources available for classes. These materials include reading files, audiovisuals, and writing assignments that the teacher can assign to students.

To create assignments in the class:

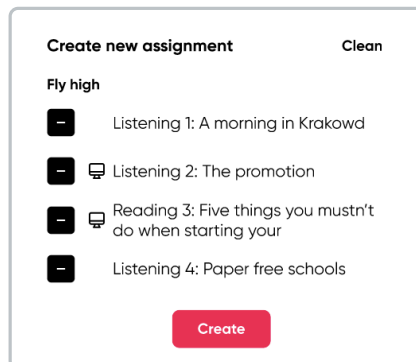

1. Select the product. You can choose from the uploaded series or view all.
2. Click on the plus symbol (+).

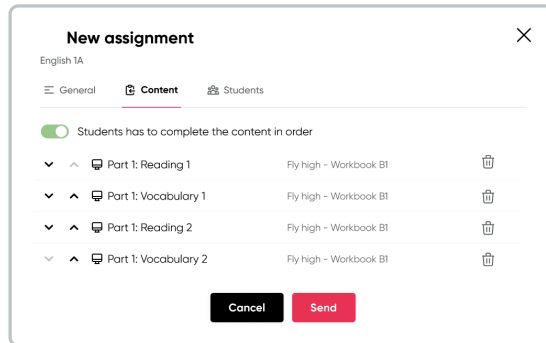

3. View the total of added activities at the top right.

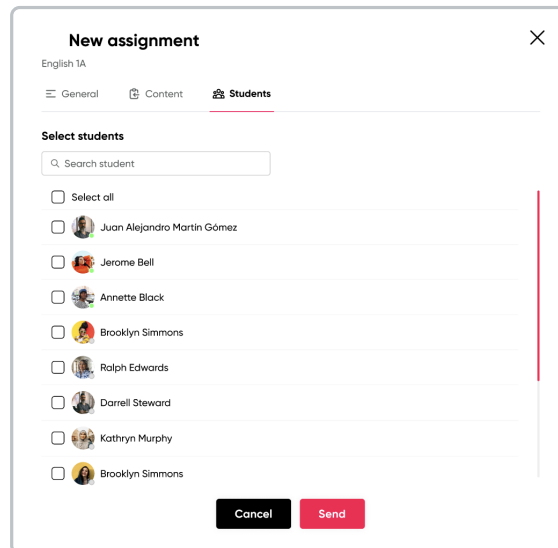

4. Click on Create.

- In the **General** option, assign a **title**, describe the **instructions**, and set the **start and end dates** for the new assignment.
- In the **Content** option, the created assignments are listed.

- In the **Students** option, all the students in the class are listed.

5. Click on **Send**.
