The Assignments widget provides the students with information related to the activities they have pending.

The image shows three widgets in a row, each with a title, a subtitle 'To do', and a large number representing the count of pending items. The first widget is 'Class assignments' with a red dot icon and the number '1'. The second is 'Test assignments' with a checkmark icon and the number '0'. The third is 'iRead assignments' with a book icon and the number '0'.

Widgets show students their pending activities, helping them keep track of them and organize their time to complete them.

- Click on the widget to view the assignments that are pending.

The 'My Classes' widget features a header with a class icon, the title 'My Classes', a search box for 'Class code', and a '+ Add' button. Below are three class cards, each with a class image, title, level (Primary), start/end dates, and student count.

| Class Name | Level | Start Date | End Date | Students |
|--------------------|---------|------------|----------|-------------|
| Compass | Primary | Sep 12 | Dec 30 | No students |
| Fly High Primary | Primary | Sep 12 | Dec 30 | No students |
| Go Further Primary | Primary | Sep 12 | Dec 30 | No students |

The 'Assignments' widget includes a search bar, filters for Type, Due, and Status, and a table of assignment details.

| TYPE | TITLE | STATUS | SCORE | ASSIGNED | DUE |
|------|---|-------------|-------|------------|------------|
| | Assignment 1 test de creación TCH - 02/12/2024 | in_progress | - | 2024-12-02 | 2024-12-03 |
