Tools

There are tools available to enhance the learning experience.

• Click on Tools to activate options that allow for a more interactive experience

Description

Redo: If you accidentally undid an underline, highlight, or note, you can use Redo to reapply it.

Hide: Helps clean up the text view to focus on the original content without visual distractions.

Undo: Removes actions such as underlines, highlights, or notes that were added accidentally or are no longer needed.

Ξ,

lcon

Notes: Allows you to add custom comments in the margin or in specific sections of the book. This is useful for jotting down explanations, additional examples, ideas, or reminders related to the content.

Delete: Specifically removes marks made without affecting the rest of the content.

Highlight: Helps differentiate important sections of the content using bright colors,

enhancing the visual organization of the text and information retention.

Underline: Allows you to mark important words or phrases within the text for easier identification and later review. Ideal for highlighting key vocabulary or specific grammatical structures.

To complete the activities available for each reading, activate the **Read with practice** option.
