Where can I view the scores obtained from iRead assignments?

09/01/2025 2:48 pm EDT

Leer artículo en español

The scores for assignments completed in iRead can be viewed in the Assignments section within the <Markbook>.

In contrast, the specific iRead section only displays:

- The **reading time** recorded by the student.
- Activities marked as **self-study**.

Suggestion: To check official grades and monitor evaluated performance, always go to **Markbook** > **Assignments.**
