Where can I view the scores obtained from iRead assignments?

08/14/2025 3:12 pm EDT

The scores for assignments completed in **iRead** can be viewed in the **Assignments** section within the **<Markbook>**.

In contrast, the specific **iRead** section only displays:
- The **reading time** recorded by the student.
- Activities marked as **self-study**.

> 🔔 **Suggestion:** To check official grades and monitor evaluated performance, always go to **Markbook > Assignments.**
