The “My Profile” section displays general user information:

- Email address
- Username
- First name
- Country / Time zone
- Change password

The screenshot shows the 'My profile' section in the Studio application. The user's profile is displayed with a profile picture of a pink lotus flower. The profile information is shown in a form with the following fields:

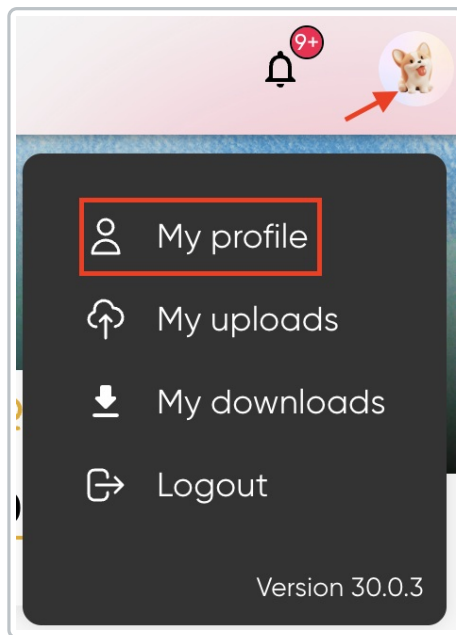

- Email: qa\_trainingmanager\_demo@richmondelt.com
- Username: qa\_trainingmanager\_demo@richmondelt.com
- First name: DEMO
- Last name: TMQA
- Country: Mexico
- Timezone: America/Mexico\_City

There are also fields for Password and Confirm password, and a 'Change' button. A 'Save' button is located at the bottom of the form. The page header includes the 'Studio' logo and a notification bell icon.

In My Profile, you can set the image that will be displayed to others, as well as make changes to your personal details.

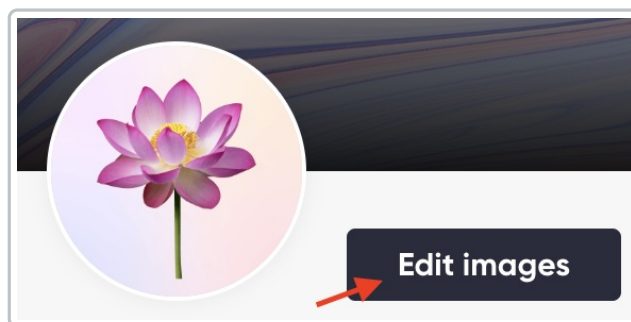

## How do I customise my profile?

From the <Main menu>, click on <My profile>.

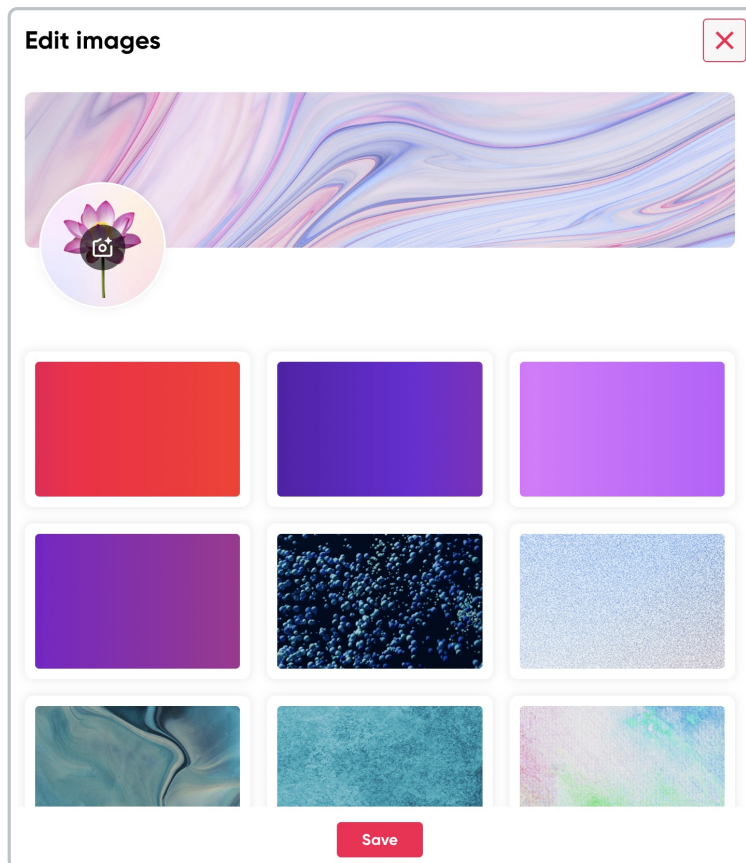

On my profile:

1. Click on <Edit images>.

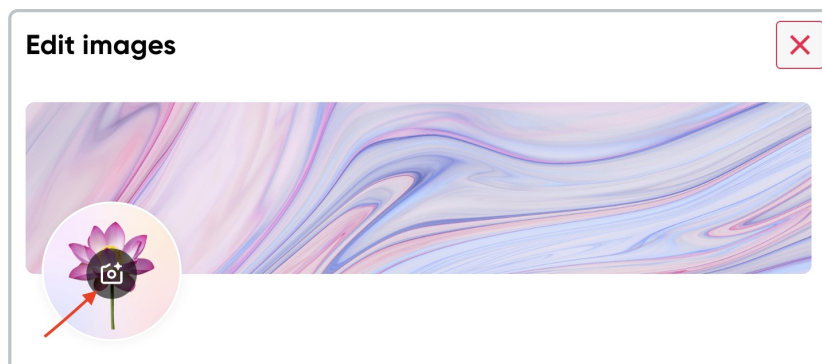

2. Choose the cover you like best for your profile.

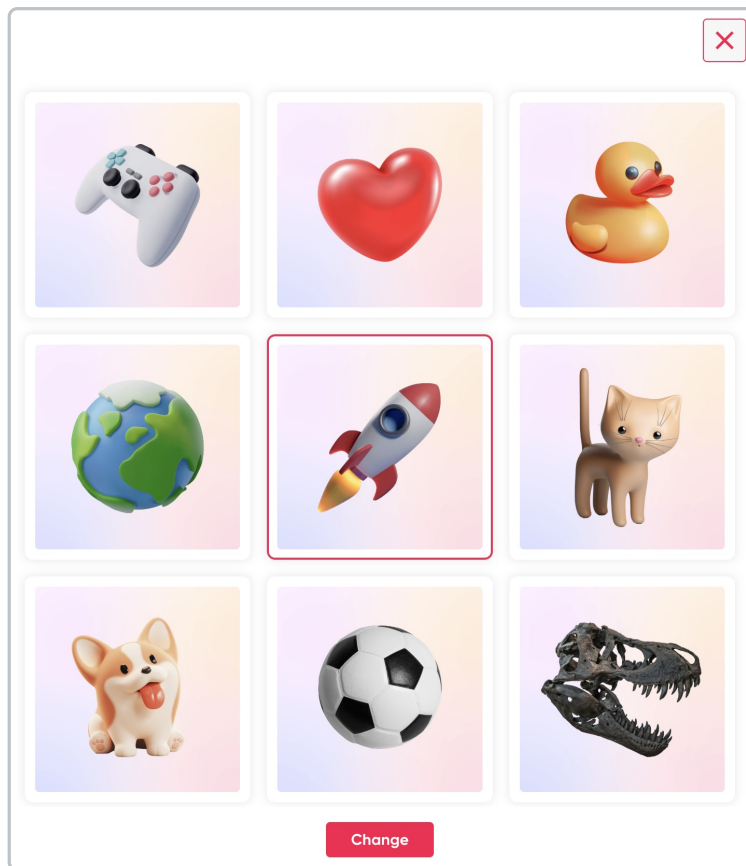

You can also change your avatar:

1. Click on the avatar icon.

2. Click on the avatar you like best.
3. Click on <Change>.

4. To save all changes, click <Save>.

The profile editing option for users with integration is not currently available.
