Show the percentage of progress for the different activities assigned by the teacher.

My Progress

TEST CLASS ▾

Great job, You've finished **58%** of your assignments.

Assignments 58%

Self-study **72%** Assignment **58%** Test **16%** iRead **91%**

This section shows the overall progress of the Workbook and, specifically, the percentage of progress for each section with assignments:

- Self-study
- Assignment
- Test
- iRead

If the student is enrolled in more than one class, they will be able to review the progress of each one.

They just need to select which class they want to review.
